

# How to help your child to learn

Below are three highly-recommended parent guides published by the National Education Standards Authority (NESA). These guides are very well researched and informative. They can be purchased through the NESA website at <https://shop.nesa.nsw.edu.au>

Helping your child learn to do mathematics

A guide for parents

**\$15.50  
including GST**

Helping your child learn about grammar

A guide for parents

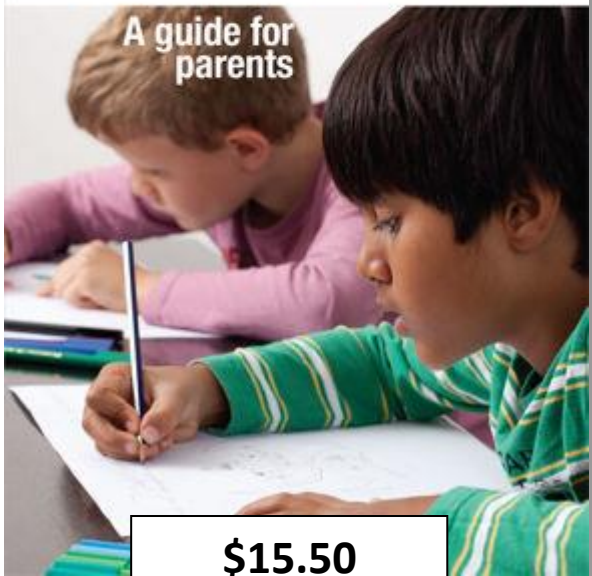

**\$15.50  
including GST**

Helping your child learn to write

A guide for parents

**\$15.50  
including GST**
